

CALLING IN YOUR HARVEST

7 KEYS - WHAT TO DO WHILE YOU'RE WAITING ON YOUR HARVEST

1. Demonstrate your confidence in the seeds' ability to produce a harvest

-Be enthusiastic and excited.

2. Clearly define what your harvest is and talk about it often.

-What did you sow that seed for? Clearly define it.

3. Water your seed by speaking the Word of God over it.

4. Keep the weeds off your seeds.

-What are weeds: Unforgiveness, strife, bitterness, jealousy

- All those things the Bible says we don't need in our life.

5. Continually praise God for your harvest.

-Even before it manifests.

6. Never give up on it.

7. Keep sowing toward your next harvest.

-Your harvest is determined by what you do while you're waiting for it.
